QA-P11 Provide for an attractive and harmonious transition between different land uses, including commercial areas and single-family areas.

QA-P12 Legal non-conforming uses exist in Queen Anne's single-family neighborhoods, and these shall be allowed to remain at their current intensity, as provided in the Land Use Code, to provide a compatible mix and balance of use types and housing densities.

QA-P13 Accessory dwelling units (ADUs) in single-family zones, in the Queen Anne planning area, should continue to be limited to the principal residential structure, and consider requiring that they be subordinate in size and character in order to discourage the development of duplexes and other multifamily structures in these zones.

QA-P14 Encourage Seattle Center to plan and implement development which will enhance the quality of life in the Queen Anne neighborhood.

QA-P15 Seek ways to ensure that Seattle Center remains a vibrant and valuable community resource and a premier regional amenity.

QA-P16 Encourage the development of a unique urban residential neighborhood in the Urban Center through such means as allowing Single-Purpose Residential buildings in designated portions of Neighborhood Commercial 3 (NC3) zones.

QA-G4 Human service needs are addressed in the Queen Anne community.

QA-P17 Strive to develop a Queen Anne neighborhood facility in the Urban Center which will serve the needs of the community as a community and resource center.

QA-P18 Promote methods of assuring that existing housing stock will enable changing households to remain in the same home or neighborhood for many years.

QA-G5 Queen Anne is a neighborhood which meets the parks and open space needs of its population by maintaining existing parks, identifying future needs, providing connections between parks and the community, and enhancing historic Queen Anne Boulevard.

QA-G6 Queen Anne retains its unique natural environment while providing a safe urban Environment.

QA-P19 Seek to maintain Queen Anne parks and open spaces and replace aging parks facilities used by the public, and seek to ensure no net loss of parks, park facilities, or open spaces while recognizing the need for a citywide balance in ongoing maintenance and investment.

QA-P20 Accommodate a range of uses in parks to meet the needs and interests of the Queen Anne population.

QA-P21 Strive to meet the open space and parks and recreation needs of the

Queen Anne population, including the Urban Center.

- QA-P22** Strive to provide trails and non-motorized linkages throughout and around Queen Anne.
- QA-P23** Seek to provide abundant green spaces and streetscapes throughout Queen Anne.
- QA-P24** Preserve and encourage the enhancement and development of Historic Queen Anne Boulevard as a major park/recreation/pedestrian trail element.
- QA-P25** Seek to retain and enhance the habitat value of Queen Anne's open spaces and undeveloped public lands.
- QA-P26** Protect the ecological integrity of critical areas.
- QA-P27** Ensure appropriate drainage in Queen Anne's open spaces and critical areas.
- QA-P28** Ensure that public park lands are retained and maintained for public use.
- QA-G7** Queen Anne recognizes the impacts that traffic congestion may have on the community's quality of life and strives to address traffic and transportation issues while improving the efficiency of the local and regional transportation system.
- QA-G8** Queen Anne is a community which encourages access to a wide range of transportation modes.
- QA-P29** Strive to diversify transportation modes and emphasize non-SOV travel within the Queen Anne neighborhood.
- QA-P30** Seek to find solutions to Queen Anne's traffic congestion.
- QA-P31** Promote a human-scale and character within the heart of the Urban Center and strive to reduce industrial through traffic.
- QA-P32** Promote enhanced mobility and mobility options between Queen Anne and other neighborhoods, employment centers, and recreation centers.
- QA-P33** Transportation facilities and services should be consistent with and enhance Queen Anne's unique urban character.
- QA-P34** Strive to provide multi-modal linkages and access to and within Queen Anne and adjacent employment centers.
- QA-P35** Strive to provide high-capacity transit services, including light-rail, to the Urban Center.
- QA-P36** Strive to provide convenient and efficient transit linkages throughout Queen Anne with an emphasis on linking Upper Queen Anne and the Urban Center.
- QA-P37** Strive to provide improved facilities for transit.
- QA-P38** Strive to provide a system of bicycle facilities and routes within and

around Queen Anne to encourage increasingly safe and convenient commuter and recreational bicycle use as an alternative to motorized travel.

owned businesses and other businesses that meet the needs of the local population.

QA-P39 Strive to provide convenient and safe bicycle and pedestrian access between Queen Anne and the Elliott Bay waterfront.

QA-P40 Strive to provide urban character-enhancing improvements to Queen Anne's streets such as sidewalk improvements, transit facilities, landscaping, and appropriate lighting.

QA-P41 Seek to alleviate parking problems in the Queen Anne planning area.

QA-G9 Queen Anne is a neighborhood with a vibrant and sustainable business community and safe commercial districts.

QA-G10 Queen Anne's businesses are accessible and meet the needs of the community.

QA-P42 Strive to ensure adequate facilities, such as lighting, for safety in pedestrian and parking areas in Queen Anne's business districts.

QA-P43 Strive to ensure that Queen Anne's commercial areas and business districts are safe from crime.

QA-P44 Strive to find solutions to the parking needs of Queen Anne's business districts.

QA-P45 Seek to fill identified market gaps in Queen Anne and support locally-

RAINIER BEACH

GOALS AND POLICIES

LAND USE

- RB-G1** A diverse and vibrant neighborhood composed of pedestrian-friendly, transit-connected business districts and affordable and attractive residential areas.
- RB-P1** Encourage the revitalization of the Henderson Street corridor as a conduit between the future light rail station at Martin Luther King, Jr. Way and the commercial center along Rainier Avenue South.
- RB-P2** Seek to promote transit-oriented development around Rainier Beach's proposed light rail station at Martin Luther King, Jr. Way and South Henderson Street.
- RB-P3** Encourage mixed-use housing and commercial development in the "Beach Square" area bounded by Henderson Street to the north, Rainier Avenue South to the south and west, and Seward Park Avenue South to the east.
- RB-P4** Seek to preserve all single family zoned areas' character, and encourage residential small lot opportunities within single-family areas within the designated residential urban village.
- RB-P5** Encourage the City to support rezones within the Rainier Beach Residential Urban Village for projects that:

- a. meet the overall community vision,
- b. promote redevelopment of underutilized and derelict sites, and
- c. result in pedestrian-friendly, well-designed new buildings.

HOUSING

- RB-G2** A community that meets the housing needs of its economically diverse and multicultural population and provides opportunities at all economic levels.
- RB-P6** Encourage affordable and attractive multifamily development, particularly along Rainier Avenue South from South Holly Street to South Cloverdale Street, and as part of South Henderson Street revitalization efforts.
- RB-P7** Seek to preserve Rainier Beach's diversity and multicultural population by providing affordable housing home-ownership opportunities through programs and land use and zoning tools, including, where appropriate, rezoning.
- RB-P8** Seek to promote townhomes and mixed-use buildings as the preferred development pattern for meeting the projected growth target within the residential urban village.

RB-P9 Seek to address the causes of the perception of crime, the lack of personal safety, and the detracting from Rainier Beach's community character (by addressing derelict residential properties and minimizing non-conforming and criminal uses).

COMMUNITY EDUCATION

RB-G3 Education is integrated as an innovative and connected learning system into all levels of community life for all residents, resulting in the empowerment of the community and the promotion of life-long learning.

RB-P10 Create strong partnerships between Seattle School District and the City of Seattle to support capital and programmatic improvements for schools in the Rainier Beach area.

RB-P11 Integrate the concept of life-long learning including education and job-related activities into the programs provided by the schools and by the neighborhood's entire educational system.

RB-P12 Encourage parents and adults in the community to work with school administrators to improve schools in the Rainier Beach area.

RB-P13 Seek to facilitate and improve the participation of parents and adults in the neighborhood schools by encouraging formation of active PTAs and by outreach to the non- and limited English-speaking population of Rainier Beach.

RB-P14 Encourage a community grass-roots approach to involve religious organizations and other influential organizations in community education issues.

ECONOMIC DEVELOPMENT

RB-G4 A revitalized commercial business core that attracts the patronage of local and citywide residents and employees through an attractive, safe, and clean built environment.

RB-P15 Seek to promote "Beach Square" as Rainier Beach's hub of commercial retail activity.

RB-P16 Encourage partnerships among local housing providers, community development corporations, neighborhood and business organizations, and the City to assist with economic revitalization in Rainier Beach.

TRANSPORTATION AND TRANSIT FACILITIES

RB-G5 A community with safe streets, pedestrian- and bicycle-friendly facilities, and an efficient, multi-modal transit system that connects Rainier Beach residents and employees to other parts of the Rainier Valley and the region.

RB-P17 Support the development of an Martin Luther King, Jr. Way at-grade light rail alignment, with Rainier Beach's station located at South Henderson Street at Martin Luther King, Jr. Way.

RB-P18 Improve residential streets to best serve residential neighborhoods.

RB-P19 Seek to promote non-motorized travel throughout Rainier Beach by providing facilities for pedestrians and bicyclists, particularly along the Henderson Street corridor, near the future light rail station, and around the "Beach Square" commercial core.

RB-P20 Explore a range of alternative transportation modes and solutions that would support the concepts of sustainability and environmental responsibility.

RB-P21 Seek to strengthen provisions for code enforcement of transportation related violations such as speeding, and parking violations.

residential areas to the commercial core, and bring pedestrians from the Rainier View neighborhood down to the lower Rainier Beach valley.

RB-P25 Seek to include art created by local artists in public works construction projects in Rainier Beach.

RB-P26 Seek to ensure coordination between City departments, private service providers and volunteers for the maintenance, cleaning, and general landscape upkeep of Rainier Beach's public streets and civic areas.

OPEN SPACE AND CIVIC CAPITAL FACILITIES

RB-G6 A community with a variety of civic facilities, waterfront access, and a trail system that promotes the existing open space sites, and the enjoyment of new public spaces.

RB-P22 Seek to retain existing parks and recreation facilities, and strive to improve maintenance of these facilities.

RB-P23 Recognize the importance of improving the Rainier Beach Community Center and South Shore Middle School to help foster a civic core.

RB-P24 Seek to promote the development of pedestrian trails that connect

ROOSEVELT

GOALS AND POLICIES

A. LAND USE AND ECONOMIC DEVELOPMENT

- R-G1** An attractive and diverse community that features the neighborhood's special small-scale building character and a strong, vibrant business district.

Land Use Transitions and Building Heights

- R-P1** Encourage the maintenance of the neighborhood's single-family and small-business architectural character and scale.
- R-P2** Promote better transitions between residential and commercial zones.

Housing

- R-G2** A neighborhood with a wide range of housing and family types that support an eclectic and diverse community.
- R-P3** Promote housing opportunities for a wide range of residents.
- R-P4** Encourage the preservation of existing single-family homes as well-maintained, owner-occupant housing.
- R-P5** Encourage future housing development in multifamily structures designed to accommodate a range of incomes.

- R-P6** Encourage an appropriate fit of scale and architectural character in all new developments.

- R-P7** Encourage extended families and families with children to reside in Roosevelt.

- R-P8** Encourage efforts to improve neighborhood appearance and image through maintenance of the housing stock (for both owner-occupied and non-owner-occupied units).

- R-P9** Encourage the redevelopment of underutilized and run-down areas in a way that complements the neighborhood character.

- R-P10** Support partnerships with community organizations and developers to promote housing opportunities in the neighborhood.

Commercial Core

- R-G3** A community with a viable, vibrant commercial core that retains its small-town scale and character, that is the focus of neighborhood retail and commercial development and promotes a neighborhood identity.

- R-P11** Encourage efforts to unify and enhance the neighborhood's identity through streetscape treatments, façade improvements and neighborhood gateway design.

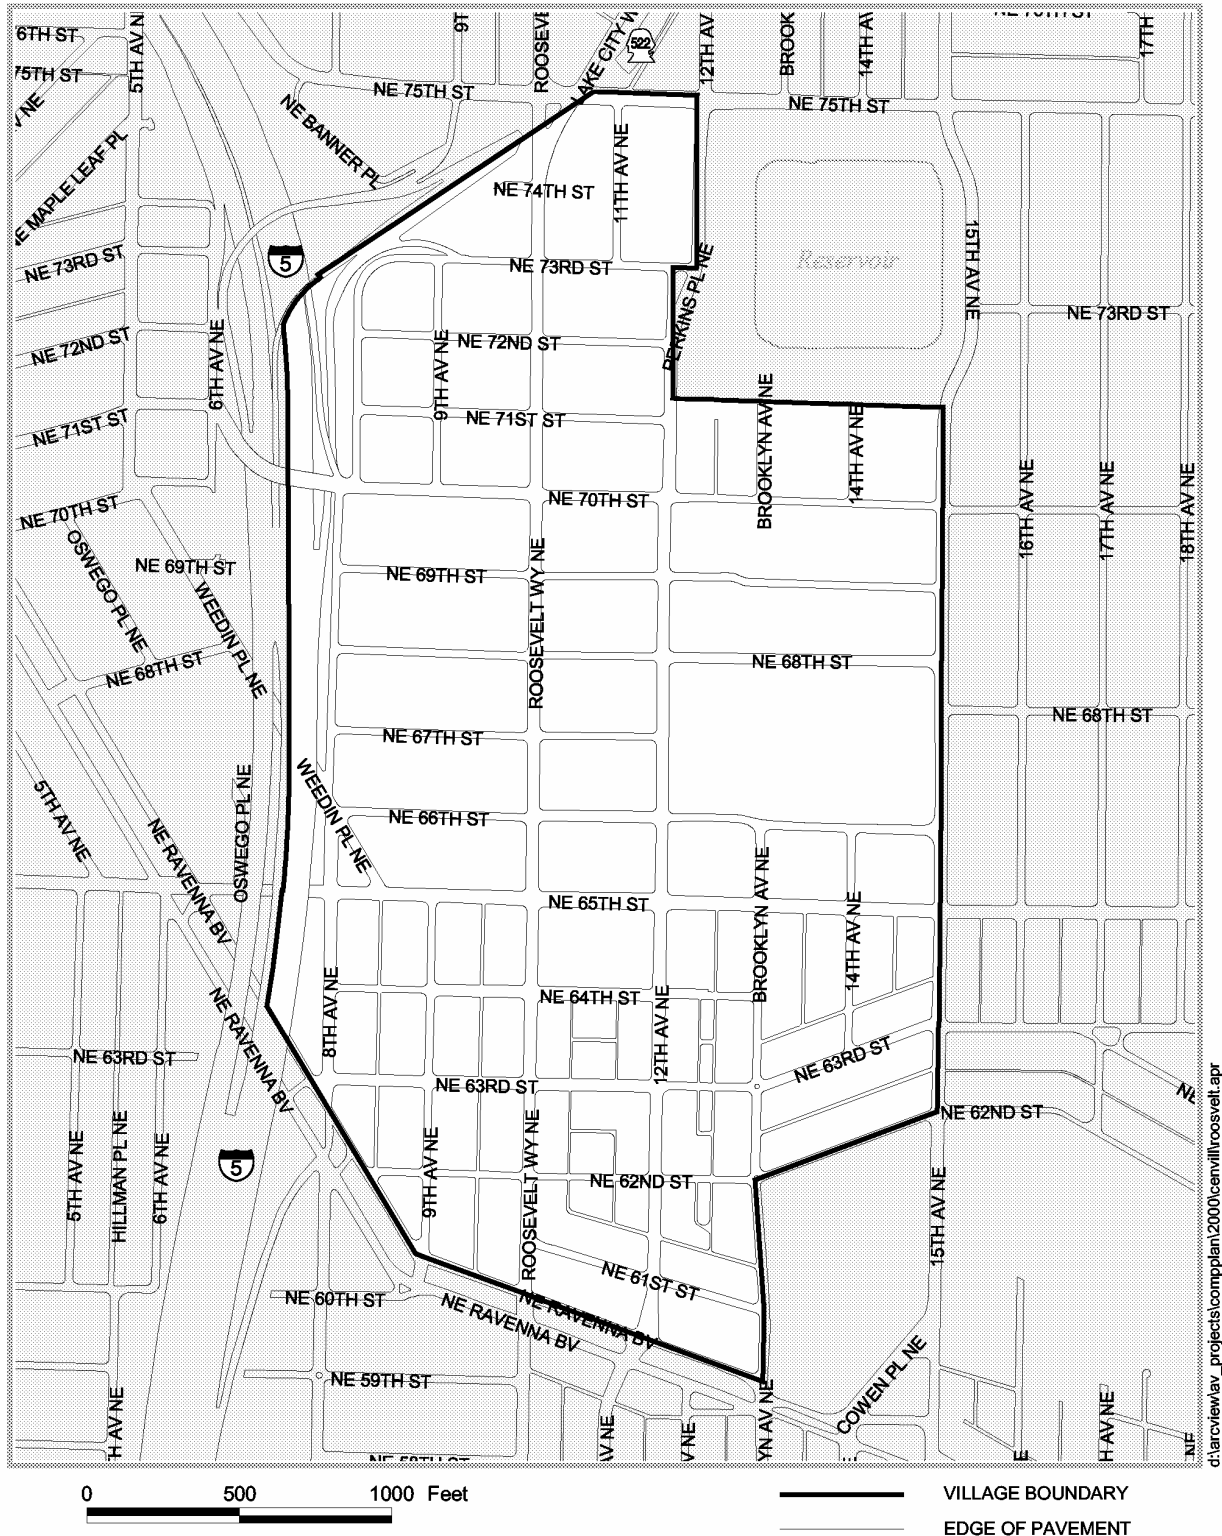

- R-P12** Promote a pedestrian environment on Roosevelt's commercial streets.

- R-P13** Encourage projects and programs to promote Roosevelt's business district.

ROOSEVELT Residential Urban Village

B. URBAN DESIGN

- R-G4** A well designed, aesthetically pleasing community with attractive streetscapes, interesting storefronts, comfortable residences, and flourishing parks.

Neighborhood Identity

- R-G5** A neighborhood recognized and identified as both a business district and a residential community.
- R-P14** Encourage efforts to unify the neighborhood's identity through streetscape and neighborhood gateway design, and development of a town center.
- R-P15** Promote the inclusion of art projects and local artists in capital improvements and neighborhood facilities.

Pedestrian Environment

- R-P16** Promote a pedestrian orientation and amenities along Roosevelt's streets.
- R-P17** Support efforts to improve pedestrian connections to Green Lake.

Community Gathering Spaces

- R-P18** Encourage the provision of community gathering places including open spaces and neighborhood meeting places.
- R-P19** Work to enhance and protect Roosevelt's existing open spaces.

- R-P20** Explore ways to encourage large developments to provide open space for public use.

Roosevelt High School Design Issues

- R-G6** A neighborhood that integrates Roosevelt High School into the physical fabric of Roosevelt and recognizes the school as a major community landmark and institution, and as a positive element of the community.
- R-P21** Support coordination between neighborhood groups and the School District in discussing Roosevelt High issues (including renovation).
- R-P22** Encourage cooperative efforts between the high school and the neighborhood to improve the school's appearance.

Design Guidelines

- R-P23** Encourage new development that complements existing neighborhood character, promotes pedestrian orientation, and responds to community input.

C. TRANSPORTATION

- R-G7** A neighborhood that provides convenient, pleasant access for pedestrians, bicyclists, motorists and transit patrons.

Arterial Traffic

- R-G8** A neighborhood where cars, buses, and light rail are supported by and

coexist with pedestrian and bicycle traffic.

- R-P24** Explore strategies to calm arterial traffic and reduce pedestrian/vehicular conflicts while maintaining adequate capacity and access to local businesses and residences.

Parking

- R-G9** A neighborhood that is accessible to visiting friends and family, to commercial area patrons, and to those who enjoy the area's parks and fields.
- R-P25** Explore ways to protect the residential parking supply.
- R-P26** Encourage coordination between businesses and residents in the community core and Roosevelt High School on neighborhood parking management issues.

Light Rail Station

- R-G10** A neighborhood connected to neighboring communities and the region by light rail, with a station that supports and reinforces the business district.
- R-P27** Promote pedestrian improvements to maximize accessibility to and safety in the station area.
- R-P28** Encourage transit links from the light rail station and the business district to adjacent neighborhoods, and support cross-town service to improve accessibility to the rail station and the commercial core.

- R-P29** Encourage development of a light rail station and transit links that will support transit oriented development within the zoned capacity of the neighborhood's commercial core.

D. COMMUNITY SAFETY AND LIVABILITY

- R-G11** A community where people look out for one another and are committed to keeping residential and commercial districts safe, clean and healthy.
- R-P30** Support community policing efforts in the neighborhood.
- R-P31** Support efforts to control litter and graffiti in the neighborhood.
- R-P32** Support community efforts to promote compliance with land use, building and safety codes.

SOUTH LAKE UNION

GOALS AND POLICIES

NEIGHBORHOOD CHARACTER

SLU-G1 A mixed use neighborhood with an emphasis on small business and light industry.

SLU-P1 Encourage strategies that promote diversity of building types and inherent qualities of neighborhood sub-areas through development of design guidelines.

SLU-P2 Strive to maintain vehicular access and adequate parking to serve area businesses.

SLU-P3 Encourage housing that does not conflict with the business character of the neighborhood.

SLU-P4 Support the placement of social service facilities based on city-wide siting policies.

SLU-P5 Encourage development of incentives that encourage preservation, reuse and rehabilitation of historically significant structures in the neighborhood.

PARKS AND OPEN SPACE

SLU-G2 A neighborhood with a variety of open space opportunities which serve the various needs of neighborhood residents and which recognize Lake Union and South Lake Union Park as the premier

open space opportunity in the neighborhood.

SLU-P6 Support development of South Lake Union Park based on the updated Park Master Plan including acquisition of Navy Reserve property and a key focus on maritime heritage.

SLU-P7 Encourage the continued perception of Lake Union as an amenity through careful stewardship of water quality and adjacent land uses.

SLU-P8 Encourage developers of projects adjacent to parks to consider that park's character in designing their projects.

SLU-P9 Strive to implement the Cascade Playground Master Plan.

SLU-P10 Encourage acquisition of properties which provide for active play and recreation, including Denny Playfield.

SLU-P11 Promote a system of pedestrian connections (including Green Streets) linking key activity areas and destinations.

SLU-P12 Encourage development of incentives for developers to include pocket parks or publicly accessible open space in their projects.

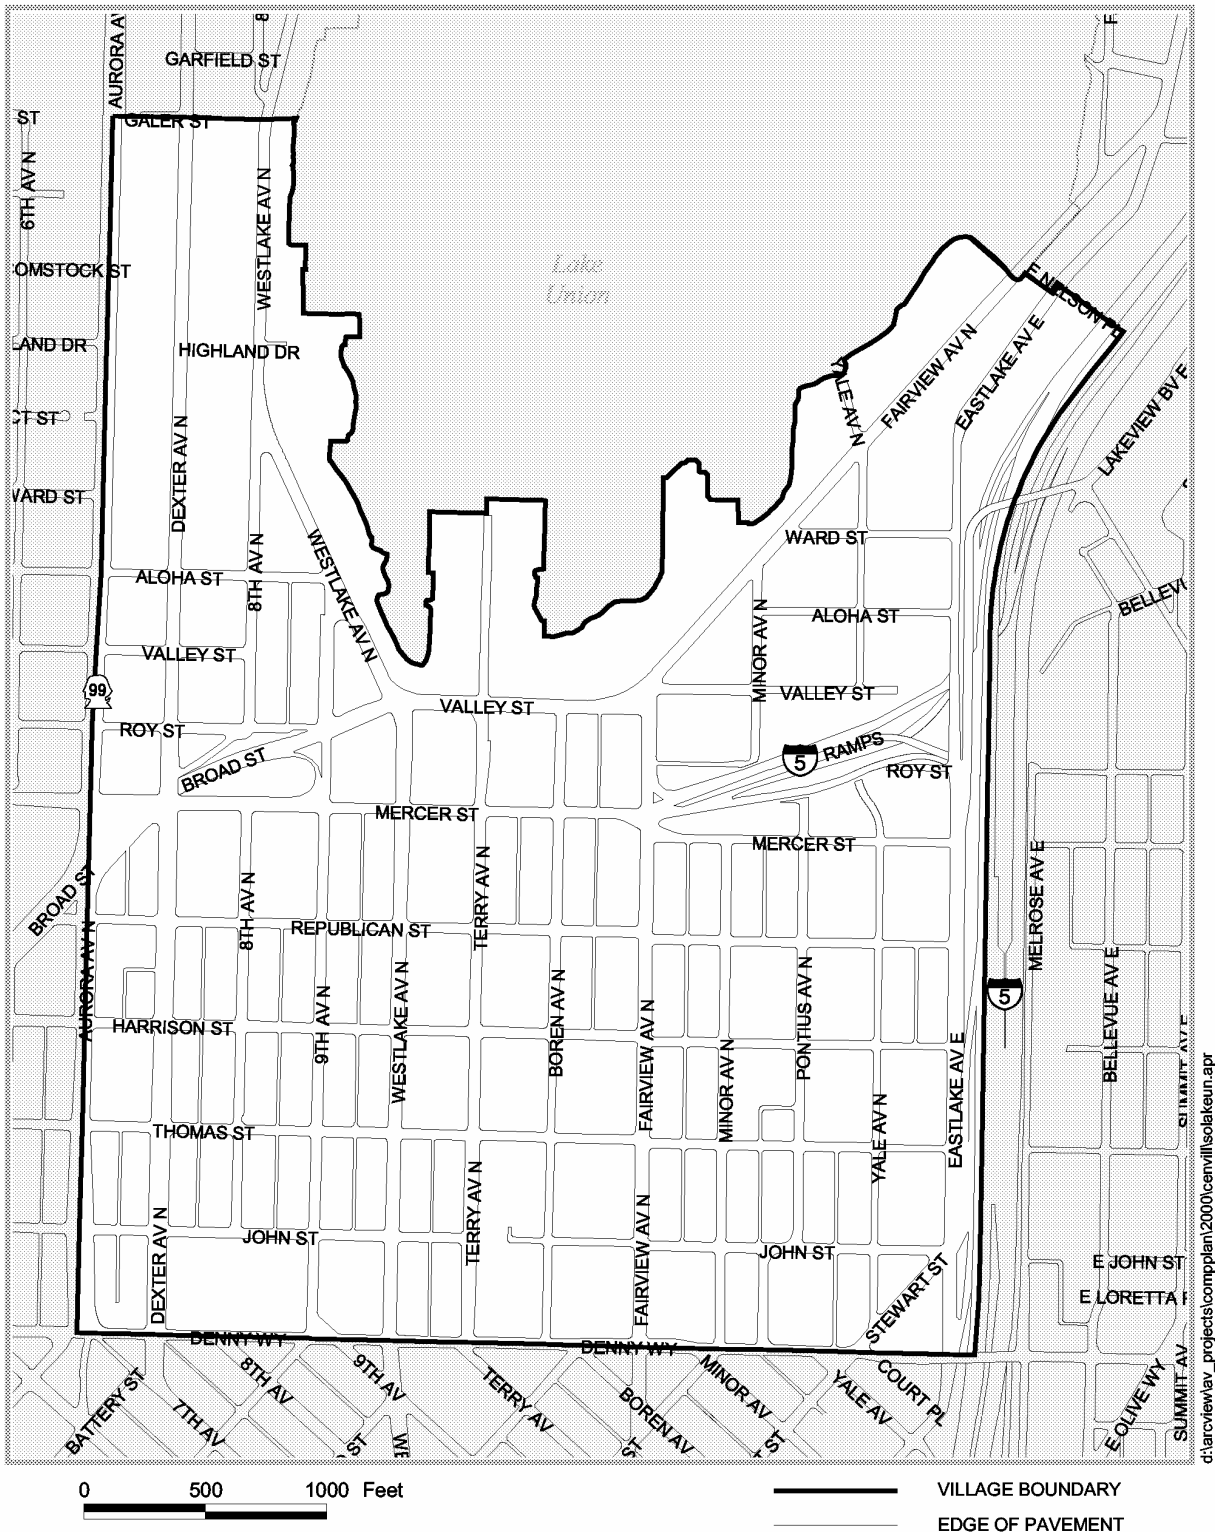

TRANSPORTATION

SLU-G3 A neighborhood with an efficient east/west transportation corridor that serves neighborhood and sub-regional needs.

SOUTH LAKE UNION Hub Urban Village

- SLU-G4** A neighborhood with adequate parking available to support neighborhood businesses and activities now and in the future.
- SLU-P13** Encourage Mercer/Valley improvements that support development of South Lake Union Park, city-owned parcels and other adjacent properties.
- SLU-P14** Favor of a set of improvements that are reasonably fundable and that do not require excessive new right-of-way.
- SLU-P15** Explore transportation improvements that would link South Lake Union and Lower Queen Anne.

SOUTH PARK

GOALS AND POLICIES

- SP-G1** A great place to live and work.
- SP-G2** A community where neighbors are encouraged to know one another and join in making decisions about the future of the South Park community.
- SP-G3** A community inviting to households with children, where people value children's safety and education.
- SP-G4** A neighborhood where residents of all cultures, incomes and ages are welcome.
- SP-G5** A "people place" at all times of the day.
- SP-P1** Collaborate with South Park residents, businesses and organizations in future planning efforts that impact South Park.
- SP-P2** Encourage community-building opportunities for South Park's residents.
- SP-P3** Encourage inter-jurisdictional partnerships that address issues in South Park that transcend jurisdictional boundaries.

LAND USE

- SP-G6** Maintain and enhance South Park's residential character.

- SP-P4** Seek to maintain industrial land for industrial and commercial uses.
- SP-P5** Seek to maintain residential land for residential uses. Multifamily and split zoned lots, adjacent to commercial zoning along 14th Avenue South, may be rezoned to commercial zoning to provide increased space for parking that supports commercial uses.

TRANSPORTATION

- SP-G7** A community where people feel safe and comfortable walking, riding a bicycle, using public transportation, or driving a vehicle and where streets are pleasant and public spaces are safe.
- SP-P6** Seek to promote an active, attractive, accessible pedestrian environment.
- SP-P7** Consider opportunities to increase accessibility within the neighborhood, including across Highway 99.

HOUSING

- SP-G8** The development of new, and the preservation of existing, single-family detached housing affordable to low-income households.

STAFF PROPOSED EDIT

- SP-P8** Encourage the maintenance of existing housing.

This map illustrates the Rainier neighborhood in Seattle, Washington. The area is bounded by Occidental Av S to the west, W Marginal Way S to the south, and Des Moines Memorial Dr to the east. The neighborhood is characterized by a grid of streets, including Kenyon St, Chicago St, Monroe St, Selmgrove St, Southern St, Rose St, Thistle St, Sullivan St, Cloverdale St, Donovan St, Trenton St, Concord St, Henderson St, Director St, Cambridge St, and 96th St. Major thoroughfares like W Marginal Way S, Occidental Av S, and Des Moines Memorial Dr are also shown. The map is labeled with 'SEATTLE' and 'UNINCORPORATED KING COUNTY'. A thick black line outlines the Rainier neighborhood boundary.

d:\arcview\av_projects\compplan\2000\cenvill\southprk.apr

- SP-P9** Work in partnership among various levels of government to address low-income housing needs that transcend jurisdictional boundaries.

CAPITAL FACILITIES

- SP-G9** Public facilities that reflect South Park's residential character and role as the service center for surrounding areas.
- SP-P10** Continue seeking grass-roots involvement in identifying and siting desired capital projects and public facilities.
- SP-P11** Continue to provide for the maintenance of public facilities within South Park.

UTILITIES

- SP-P12** Continue seeking grass-roots involvement in siting utility facilities for South Park.
- SP-P13** Seek to provide timely and effective notification to other interested utilities of planned road and right-of-way trenching, maintenance, and upgrading activities, to minimize the cost and public inconvenience of road and right-of-way trenching activities.
- SP-P14** Seek to coordinate utility capital expenditure planning with capital investment planning by County departments, where appropriate.

ENVIRONMENT

- SP-G10** A community where residents and businesses practice responsible stewardship of the environment.
- SP-P15** Seek to include quality environmental practices in the execution of public works in South Park.
- SP-P16** Support the efforts of local organizations that are working to create a healthier environment.

ECONOMIC DEVELOPMENT

- SP-P17** Seek training opportunities for South Park residents which will help them to compete for meaningful and productive employment, earn a living wage and meet the needs of business.

CULTURAL RESOURCES

- SP-P18** Encourage public art within South Park.

UNIVERSITY COMMUNITY URBAN CENTER

GOALS AND POLICIES

UC-GI Stable residential neighborhoods that can accommodate projected growth and foster desirable living conditions.

UC-PI In pursuit of Comprehensive Plan Policy H12, encourage ground-related housing types in portions of the northern tier, and Ravenna areas of the community.

UC-P2 Encourage high-quality development, up to 65 feet, or about five stories, south of NE 43rd Street, and from just east of Brooklyn to the west, to enhance this residential area with excellent proximity to the University and to LRT stations.

UC-P3 Encourage a vibrant mixed-use residential neighborhood in the University Gardens Core area (between NE 50th Street, Brooklyn Avenue NE, NE 43rd Street, and 9th Avenue NE.)

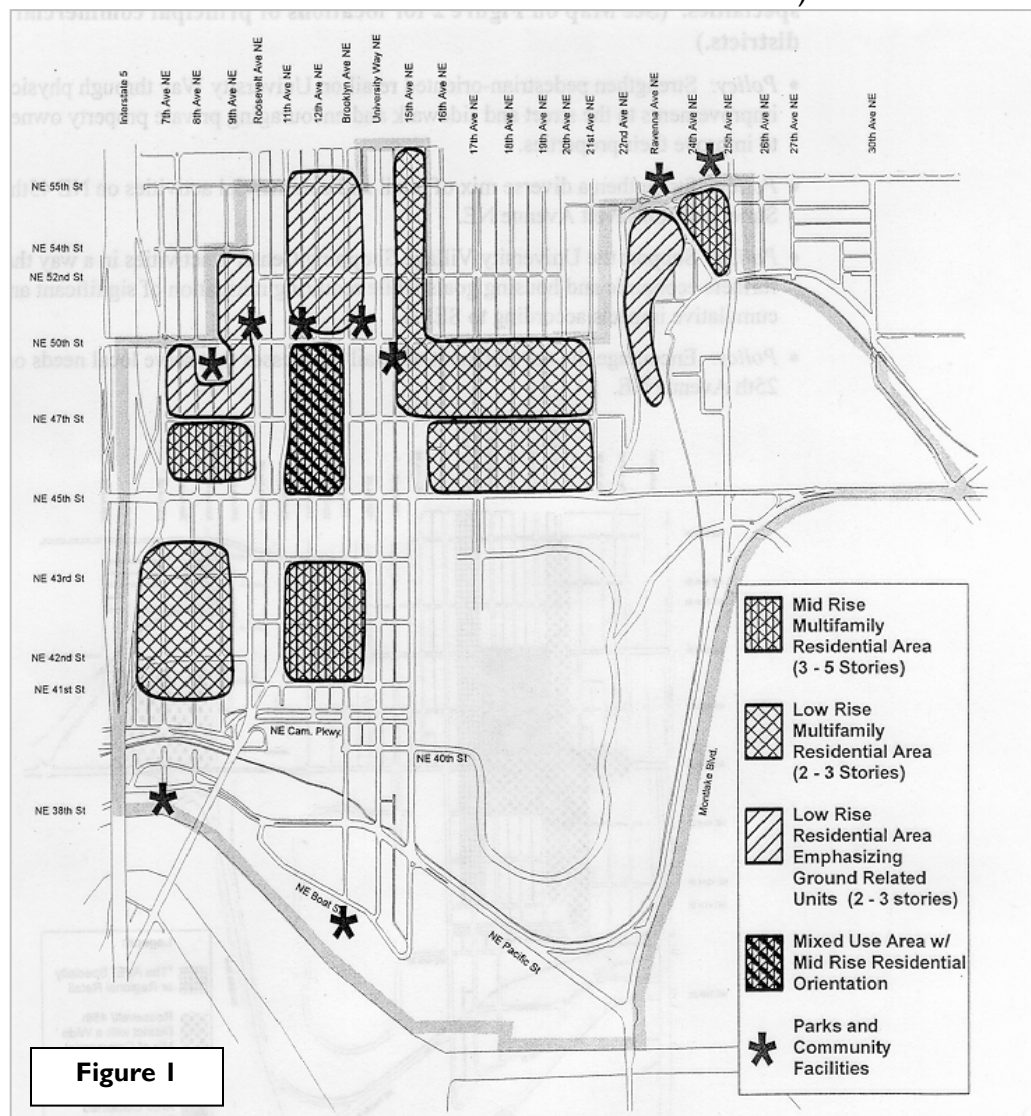

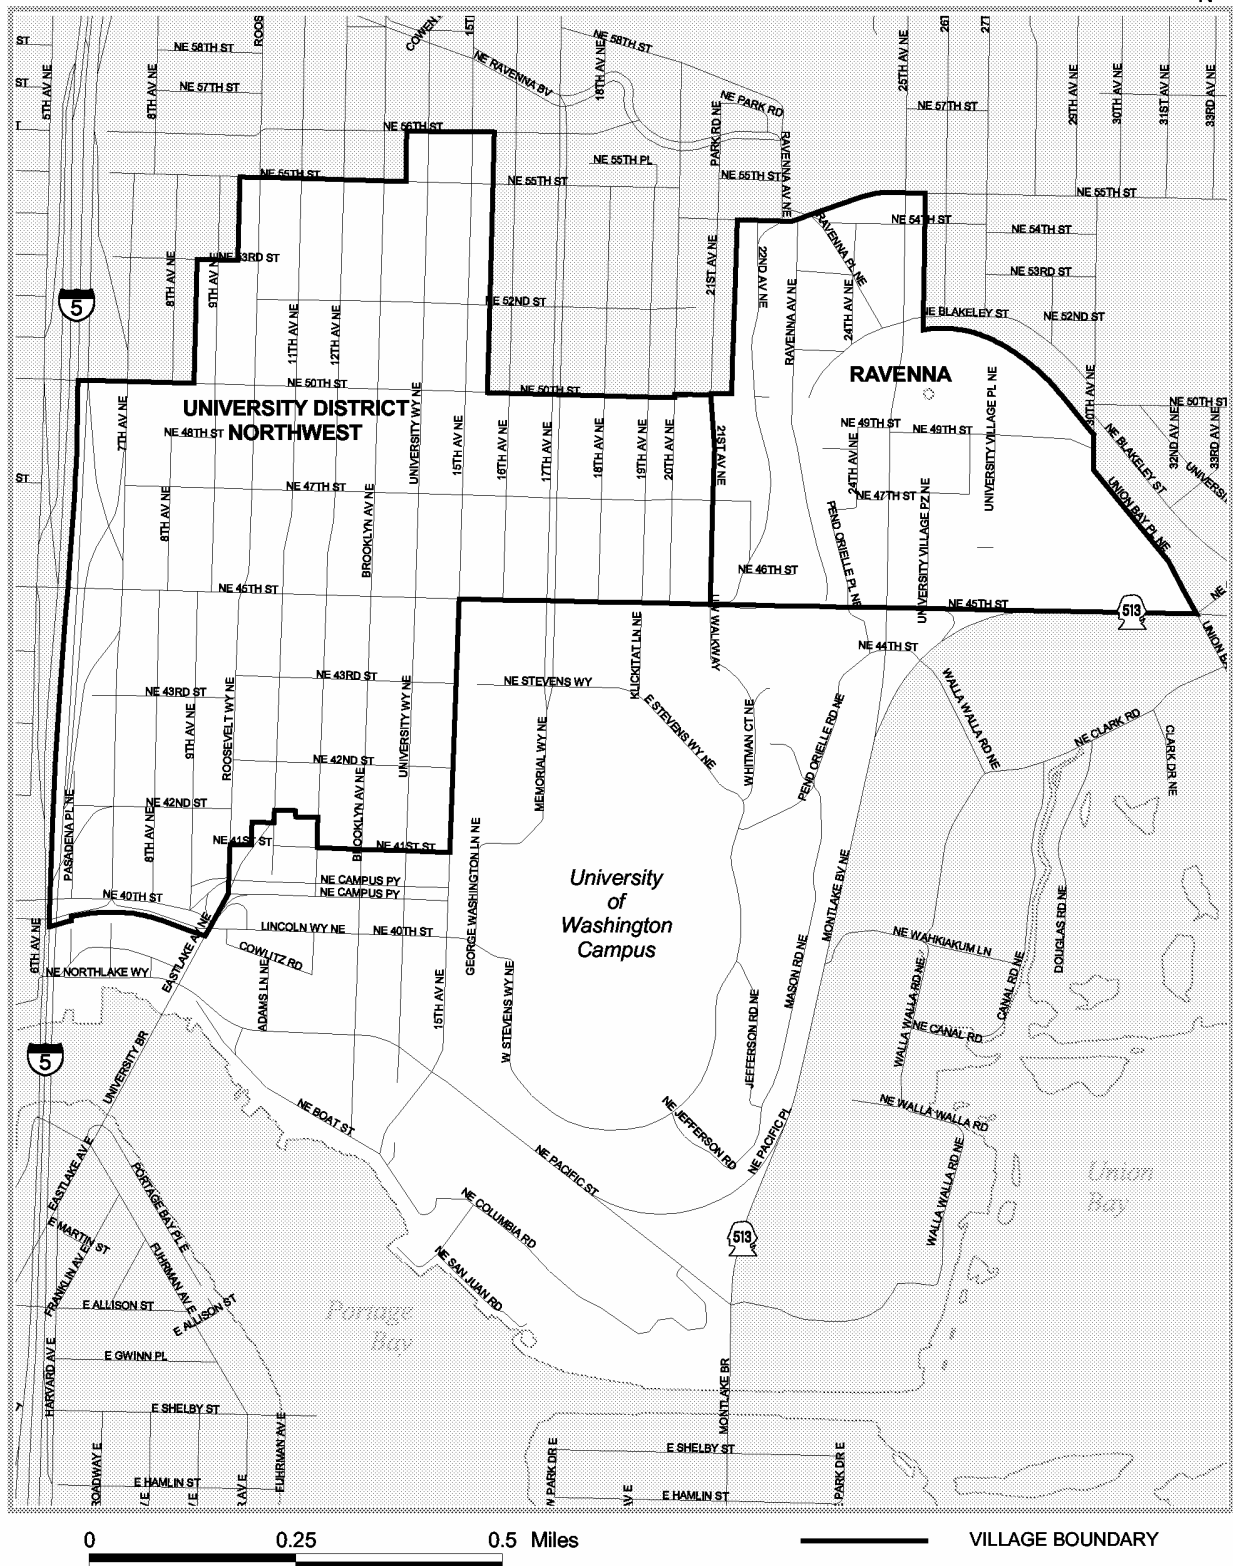

Figure 1

UNIVERSITY COMMUNITY Urban Center

d:\arview\av_project\complan\2000\canvillucomm_uc.apr

- UC-P4** These goals and policies of the UCUC Neighborhood Plan are not intended to change the policy basis for consideration of rezones proposed after adoption of these goals and policies.
- UC-G2** Vibrant commercial districts serving local needs and offering regional specialties. (See Map on Figure 1 for locations of principal commercial districts.)
- UC-P5** Strengthen pedestrian-oriented retail on University Way through physical improvements to the street and sidewalk and encouraging private property owners to improve their properties.
- UC-P6** Strengthen a diverse mix of retail and commercial activities on NE 45th Street and Roosevelt Avenue NE.
- UC-P7** Support the University Village Shopping Center's activities in a way that furthers economic and housing goals while requiring mitigation of significant and cumulative impacts according to SEPA.
- UC-P8** Encourage the development of retail businesses that serve local needs on 25th Avenue NE, and encourage the redevelopment of a diverse mix of housing and compatible retail, where appropriate, in adjacent areas.
- UC-G3** An efficient transportation system that balances different modes, including public transit, pedestrian, bicycle and automobile, and minimizes negative impacts to the community.
- UC-P9** Involve the community and contiguous neighborhoods in the monitoring of traffic, and the identification of actions needed to preserve the multi-modal capacity of the principal arterial streets, to accommodate projected growth and protect residential streets from the effects of through-traffic. Give priority to transit, bicycle and pedestrian modes for those networks identified in the Comprehensive Plan and where specific mode improvements are noted on the map in Figure 2.
- UC-P10** In pursuit of Comprehensive Plan Policies T42, T43, and T44, emphasize comfortable, safe, attractive pedestrian and bicycle access throughout the center, especially those routes identified in Figure 2.
- UC-P11** Take advantage of Sound Transit improvements to address local transportation needs and impacts and facilitate intermodal connections, such as bus and monorail, and surface traffic.
- UC-P12** Work with King County Metro and Community Transit to create efficient bus circulation. Address bus layover impacts, bus routing, and transfer issues as well as street improvements to facilitate transit.
- UC-P13** Explore local shuttle transportation options.

UC-PI4 Carefully manage parking to provide needed accessibility while minimizing traffic and on-street parking impacts when considering on-street parking actions, off-street parking requirements for new development, and public parking development. Strongly discourage "park-and-ride" parking for commuters.

UC-G4 A community in which the housing needs and affordability levels of major demographic groups, including students, young adults, families with

children, empty nesters, and seniors, are met and which balances home ownership opportunities with rental unit supply.

UC-PI5 Employ a variety of housing types and development strategies to effectively provide for identified needs, including existing housing preservation, code enforcement, accessory units, new ground-related housing, and mixed-use mid-rise residential development.

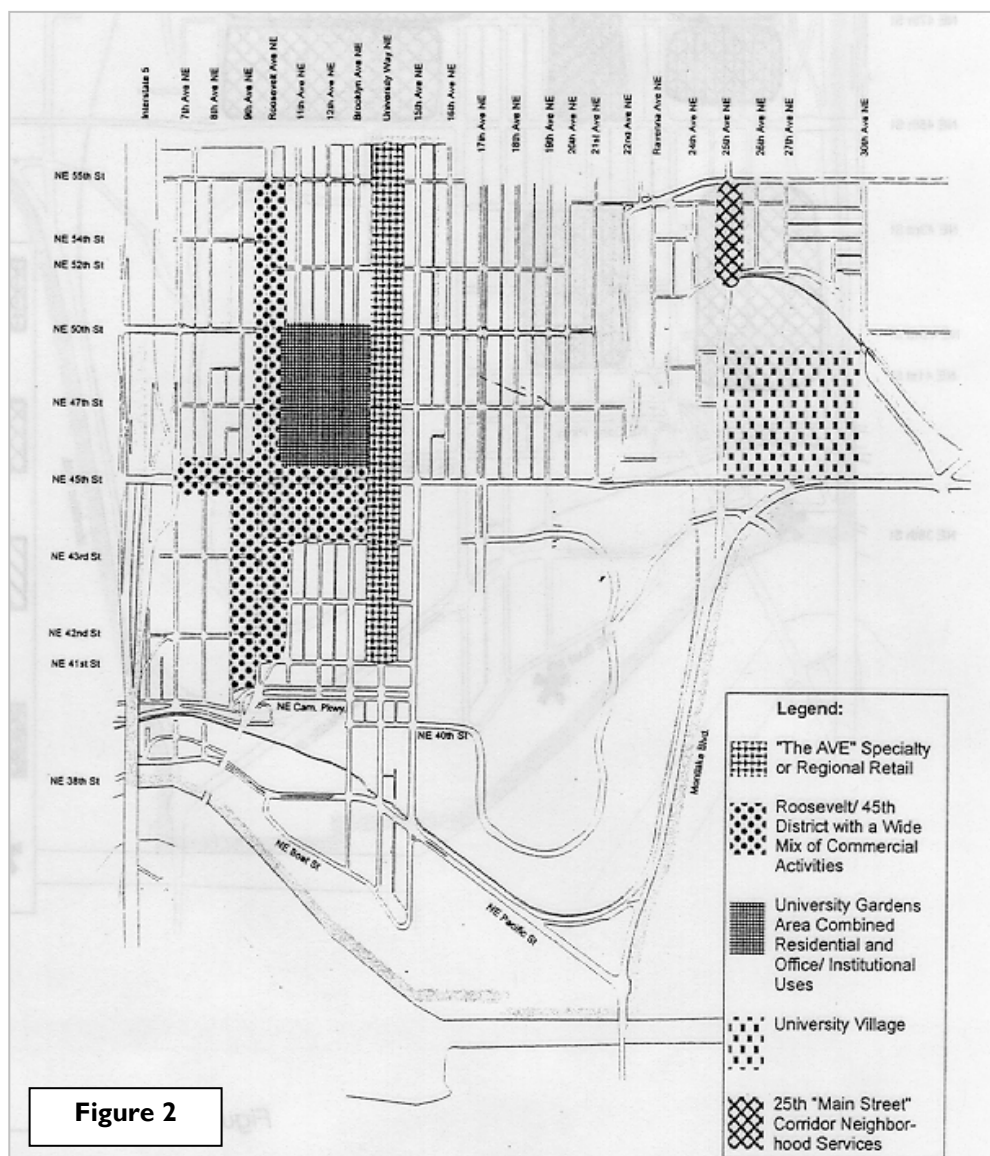

Figure 2

UC-P16 Employ a variety of strategies to bring housing development to desired affordability levels, including development partnerships, zoning modifications, and subsidies.

UC-G5 A community with a wide range of neighborhood recreation facilities and open space and which meets the Comprehensive Plan's open space goals.

UC-P17 In order to serve existing residents to the north and emerging residential neighborhoods, organize a services spine roughly along NE 50th Street. Include a wide variety of public, recreational, educational, community, and human services, plus churches, playfields, and other facilities. (See Figure 3.)

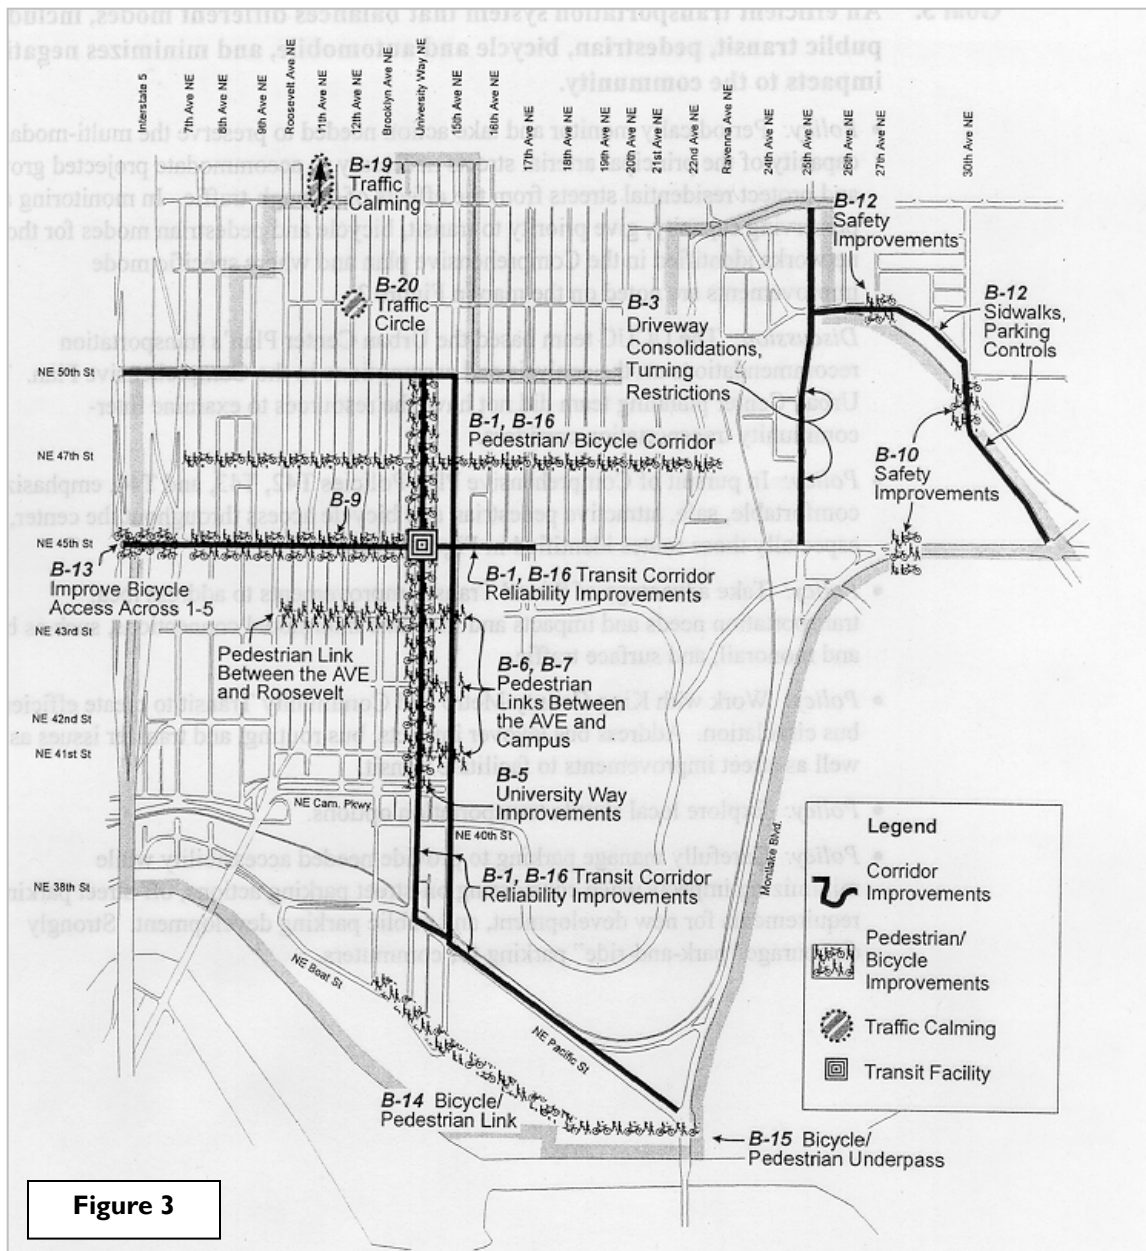

Figure 3

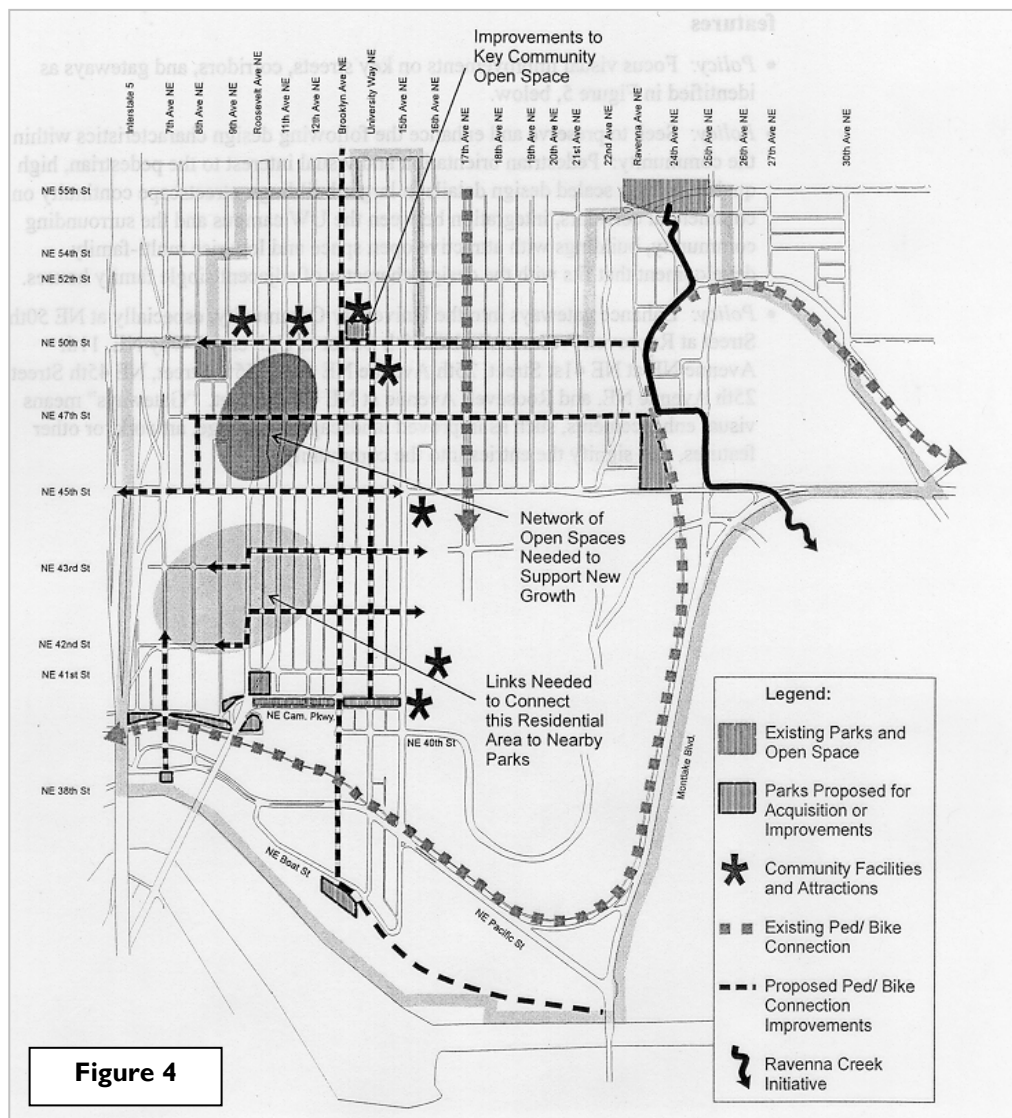

- UC-P18** Employ a variety of strategies to increase open space, such as park acquisition through a major open space funding program, improvement of and better access to existing assets, and creation of small spaces with new development.
- UC-P19** Encourage the establishment of a local open space fund that can be used to purchase and improve small parcels when the opportunity arises.
- UC-P20** Place highest emphasis on open space and recreation facilities projects that will benefit the greatest number of people in areas that are least well served.
- UC-P21** In the Southwest Quadrant (the area generally south of NE 45th Street and west of Roosevelt Avenue NE), make convenient pedestrian connections to nearby parks and the waterfront and seek to develop a small shoreline park on the Lake Union shoreline at the south end of 7th Avenue NE.
- UC-P22** In Lower Brooklyn (the area generally south of NE 43rd Street between Roosevelt Avenue NE and the UW campus), provide open space for the large population including residents, workers, and students and strengthen physical connections to the waterfront and campus. Encourage better physical integration between the campus and the community.
- UC-P23** In the University Gardens Core (the area generally between NE 50th Street, Brooklyn Avenue NE, NE 43rd Street, and 9th Avenue NE), create a connected network of open spaces integrated with development. Provide open space and recreation facilities for seniors.
- UC-P24** In the Northern Tier (the low rise multi-family residential areas above NE 45th Street between 22nd Avenue NE and 15th Avenue NE and north of NE 50th Street and west of Brooklyn Avenue NE), seek to establish and enhance a central open space and community facility as part of the NE 50th Street Community Services Spine. (See policy UCUC 17 above).
- UC-P25** In University Way-15th Avenue NE corridor between NE 55th Street and NE 41st Street, encourage the provision of more street-oriented public space through both public and private investment.
- UC-P26** In the Ravenna Urban Village, seek to protect and enhance natural areas and features.
- UC-G6** A community that builds a unique physical identity on its historical and architectural resources, attractive streets, university campus, and special features.
- UC-P27** Focus visual improvements on key streets, corridors, and gateways as identified in Figure 4.

UC-P28 Seek to preserve and enhance the following design characteristics within the community: Pedestrian orientation and visual interest to the pedestrian, high quality, human-scaled design details in larger buildings, streetscape continuity on commercial corridors, integration between the UW campus and the surrounding community, buildings with attractive open space and low rise multi-family development that fits with the design character of adjacent single family houses.

UC-P29 Enhance gateways into the University Community, especially at NE 50th Street at Roosevelt Avenue NE, NE 50th Street at University Way NE, 11th Avenue NE at NE 41st Street, 25th Avenue NE at NE 55th Street, NE 45th Street at 25th Avenue NE, and Roosevelt Avenue at NE 42nd Street. "Gateways" means visual enhancements, such as improved landscaping, signage, artwork, or other features, that signify the entries into the community.

- UC-G7** An urban center that is home to the University of Washington; the region's foremost educational institution which is expanding to meet new challenges while enhancing the surrounding community.
- UC-P30** Accommodate new university growth in a way that benefits the surrounding community.
- UC-P31** Work to connect and integrate the campus and the community visually and physically.
- UC-P32** In pursuit of Comprehensive Plan Policy LI 30, ensure that the University Community plays an active role in the UW's Campus Master Plan on subjects of mutual interest.
- UC-G8** A community in which public education resources are readily available.
- UC-P33** Pursue opportunities to work with Seattle Public School District #1 in locating a public school in the community, capitalizing on the area's excellent accessibility and proximity to the University of Washington.
- UC-P34** Work with Seattle Public School District #1 to ensure appropriate, equitable school resources are available in the community, including after-school activities and facilities.
- UC-G9** A community that is regionally recognized for its arts and cultural activities and that uses cultural activities as a community building asset.
- UC-P35** Encourage the local coordination of arts and cultural activities, including museums, theaters, commercial activities, galleries, classes, performance halls, arts groups and informal performance groups, for the mutual enhancement of those efforts.
- UC-P36** Provide the opportunity for local public involvement in City-sponsored art projects and the design of major public facilities.
- UC-P37** Ensure that the full range of cultural activities and backgrounds is represented in publicly-funded arts.
- UC-G10** An integrated social service delivery network that serves the entire community.
- UC-P38** Foster the coordinated efforts of local social service providers to identify and meet the specific service delivery needs in the urban center.
- UC-P39** As called for in Comprehensive Plan Policies HD 44-53, encourage effective partnerships between service providers and integrate these efforts into other community improvement activities.
- UC-G11** A community where people are and feel safe.
- UC-P40** Place a high priority on controlling illegal activities on streets and in public spaces.
- UC-P41** Encourage legitimate uses and a sense of ownership in parks and public spaces.

UC-P42 Support public safety through urban design.

UC-G12 A community where the historic resources, natural elements, and other elements that add to the community's sense of history and unique character are conserved.

UC-P43 Seek to conserve the special historic and cultural resources in the University Community including significant structures on commercial corridors, registered landmarks, and significant public structures.

UC-P44 Identify and conserve areas of special design character, such as Greek Row and 17th Avenue NE boulevard.

CAPITAL FACILITIES AND UTILITIES

The goals and policies of the capital facilities and utilities elements of the Comprehensive Plan express vision of the University Community Urban Center.

WALLINGFORD

GOALS AND POLICIES

URBAN VILLAGES

- W-G1** A neighborhood with a vital commercial district serving the residential core.
- W-P1** Protect the character and integrity of Wallingford's single family areas.
- W-P2** Discourage single purpose residential development in the key business district along 45th Avenue N and NE.
- W-P3** Allow for consideration of future downzones to encourage small lot or cottage development and affordable housing types or to respond to unanticipated development pressure.
- W-P4** Encourage neighborhood efforts to formulate a design review process for commercial and multi-family development.
- W-P5** Strive to create open space opportunities in underserved areas.
- W-P6** Give significant attention to infrastructure within the urban village and for heavily used facilities serving the urban village.
- W-P7** In as much as the Wallingford Residential Urban Village has substantially exceeded its household growth target, special L3 and L4 locational criteria for the evaluation of rezones to the L3 and L4 designations inside of urban villages, shall not apply

in the Wallingford Residential Urban Village.

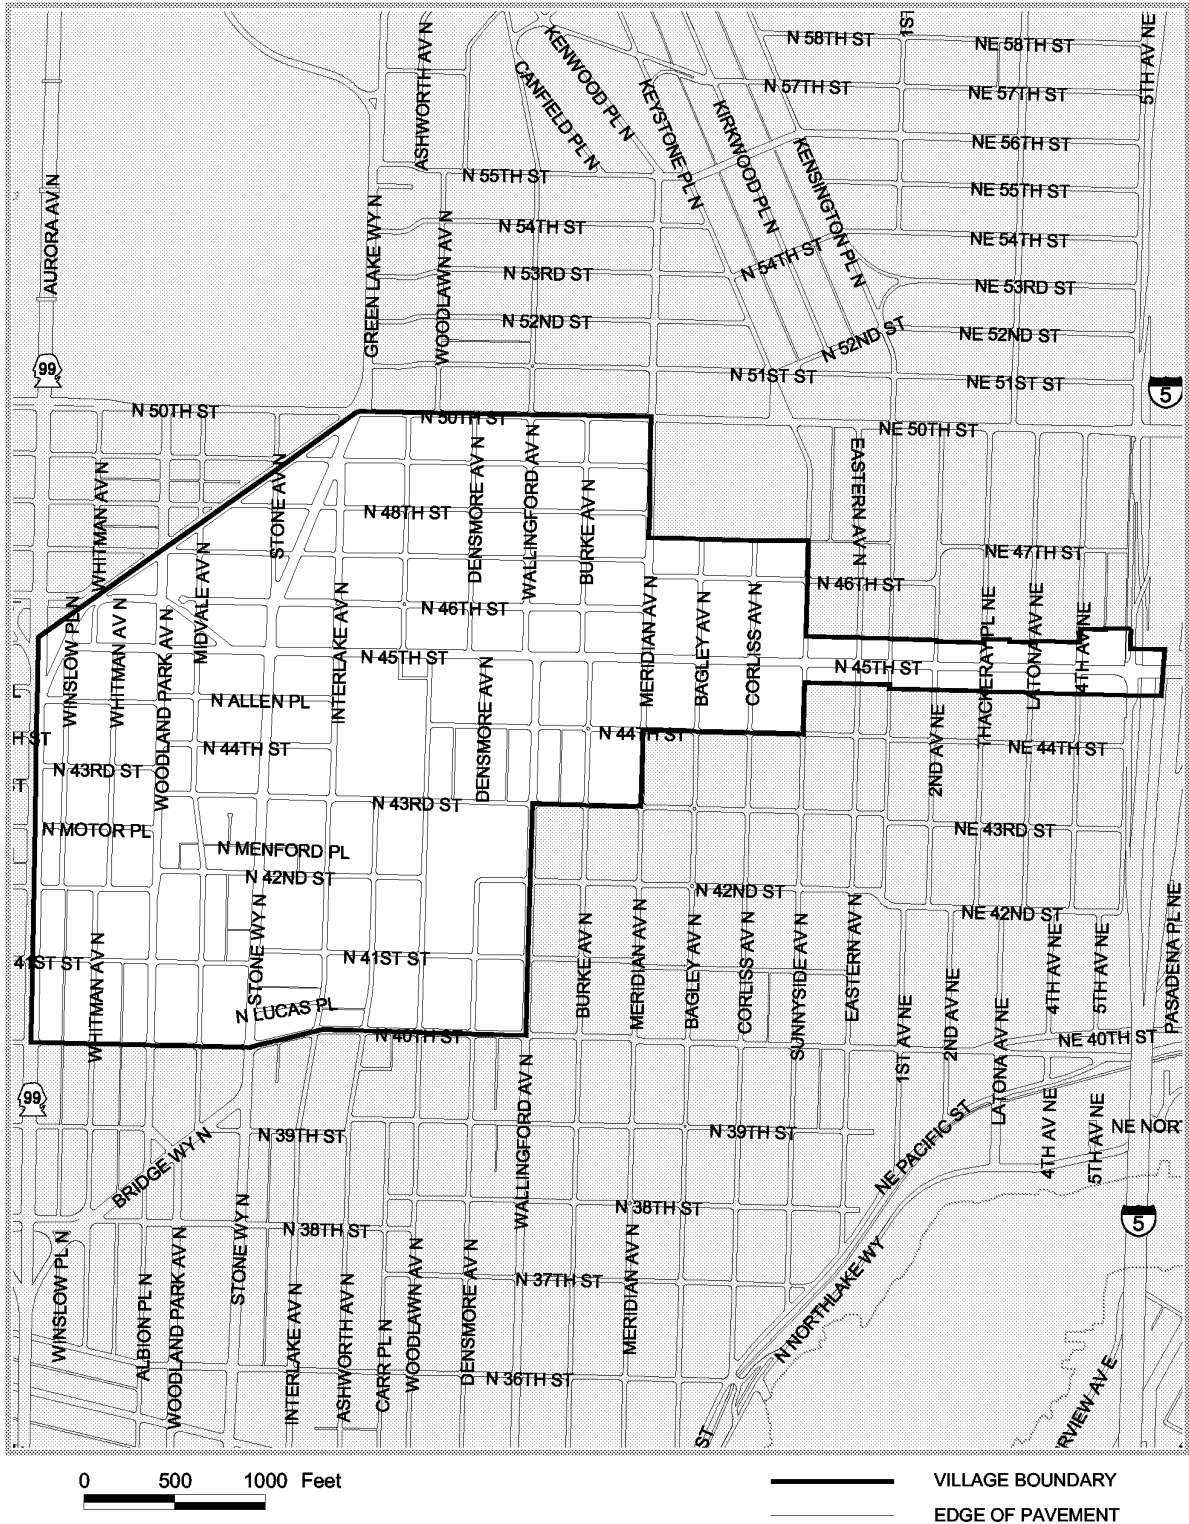

HOUSING

- W-G2** A community with housing and amenities that support a population of diverse incomes, ages and other social characteristics.
- W-P8** Promote a high rate of homeownership within the Wallingford area.

- W-P28** Encourage agencies responsible for public facilities to maintain and rehabilitate existing public facilities as necessary to make them assets to the neighborhood and to preserve their historic value.
- W-P29** Consider acquisition of facilities owned by other public agencies, such as the Seattle School District, as they become available based on viability for long-term use.

WEST SEATTLE JUNCTION

GOALS AND POLICIES

COMMUNITY CHARACTER

WSJ-G1 A small town community with its own distinct identity comprised of a strong single-family residential community and a vibrant mixed use business district serving the surrounding residential core.

WSJ-P1 Seek to maintain and enhance a compact mixed-use commercial core, with small town character, located between 41st and 44th Avenues SW and SW Genesee Street and SW Edmunds Street, by encouraging improved traffic flow, pedestrian safety and amenities, and architectural image.

WSJ-P2 Target city investments into areas where growth is expected to occur, especially within the village "core" located between 41st and 44th Avenues SW and SW Genesee Street and SW Edmunds Street.

ECONOMIC DEVELOPMENT WITHIN THE COMMERCIAL CORE

WSJ-G2 A vibrant center of shopping, dining, and cultural opportunities that supports both daytime and nighttime activity.

WSJ-P3 Encourage attractive, higher density mixed-use development within the commercial core at a height compatible with the neighborhood's small-town scale.

WSJ-P4 Strive to balance the goal of a compact urban village with the need for adequate parking, traffic circulation and pedestrian safety on neighborhood streets.

WSJ-P5 Seek to reinforce pedestrian orientation, enhance the architectural character of the area, and promote interaction between the community, property owners, and developers to encourage new buildings that contribute to and enhance the Junction's character.

WSJ-P6 Encourage a human scale design of buildings and public spaces to be accessible to pedestrians, safe, well lit, and clean.

WSJ-P7 Encourage efforts to maintain and preserve local "landmark" buildings within the business district.

FAUNTLEROY GATEWAY INTO THE JUNCTION

WSJ-G3 A community gateway near Fauntleroy Way and Oregon Street that reflects the character of the rest of the neighborhood, presents a positive image, and provides a safe and pleasant pedestrian environment, efficient traffic flow and a pleasant and positive aesthetic appearance.

WSJ-P8 Seek to integrate Fauntleroy Way into the neighborhood physically, aesthetically, and operationally while, at the same time, maintaining its arterial functions.

 VILLAGE BOUNDARY
 EDGE OF PAVEMENT

WSJ-P9 Seek to enhance pedestrian safety and improve pedestrian circulation along Avalon Way, Fauntleroy Way, and SW Alaska Street from 35th Ave SW to California Ave SW.

TRANSPORTATION

WSJ-G4 A neighborhood which facilitates movement of people and goods with a particular emphasis on increasing safety, supporting the economic centers, and encouraging a full range of transportation choices.

WSJ-P10 Enhance pedestrian access and vehicular and bicycle mobility throughout the neighborhood, with particular attention to the Junction commercial core, the Fauntleroy Way Corridor, the California Avenue SW Corridor, and the 35th Avenue SW Corridor.

WSJ-P11 Encourage pedestrian and bicycle linkages among the three West Seattle Junctions (Admiral, West Seattle, and Morgan) and to and from other Seattle neighborhoods via the Spokane Street corridor.

WSJ-P12 Strive to protect the residential neighborhoods surrounding the West Seattle Junction from traffic impacts.

HOUSING AND LAND USE

WSJ-G5 A community with housing and amenities that support a population of diverse incomes, ages and other social characteristics.

WSJ-P13 Maintain the character and integrity of the existing single-family areas.

WSJ-P14 Encourage programs that help low- and fixed-income people, especially seniors, retain ownership of their homes.

WSJ-P15 Encourage opportunities to provide affordable market-rate housing in the neighborhood for Junction workers.

PARKS AND OPEN SPACE

WSJ-G6 A desirable place for families with a safe and attractive residential neighborhood served by a variety of park and recreation facilities.

WSJ-G7 A neighborhood with a cohesive identity and aesthetics, which respects the urban forest and native habitat.

WSJ-P16 Encourage the provision of open spaces in conjunction with pedestrian and bicycle linkages throughout the neighborhood.

WSJ-P17 Seek opportunities to reclaim unneeded portions of street right-of-way to develop open space and trails where appropriate and explore opportunities to support the "Open Space Lattice" concept.

WSJ-P18 Explore opportunities within the business district to create community gathering places.

WSJ-P19 Promote greening and beautification of the neighborhood through local citizen participation.

WSJ-P20 Enhance the urban forest within existing parks and open space areas.

WSJ-P21 Support the maintenance and restoration of native habitat and species in existing parks, open spaces, and street right-of-ways.

CULTURAL ARTS

WSJ-G8 A neighborhood community with a distinctive flavor in arts and culture, yet integrated into the overall arts and cultural community in West Seattle.

WSJ-P22 Support the provision of public art throughout the Junction.

WSJ-P23 Strive to integrate art into the business district and at new open space sites.

WSJ-P24 Encourage multi-cultural outreach for and participation the arts throughout West Seattle.

HUMAN DEVELOPMENT AND PUBLIC SAFETY

WSJ-G9 A neighborhood that recognizes and supports the diverse human development needs and safety concerns of its changing population.

WSJ-P25 Encourage human services providers to work closely with neighborhood organizations in developing programs that benefit clients and the larger community.

WSJ-P26 Seek to improve communication between people, organizations, and

communities dealing with human development and safety issues.

WSJ-P27 Promote the use of good environmental design to improve the safety of new open space sites, pedestrian trails and new development.

CAPITAL FACILITIES

WSJ-G10 A neighborhood with public facilities that are assets to both the neighborhood and the service providers.

WSJ-P28 Seek to involve the Junction community in planning efforts for the use of the public facilities in the Planning Area.

WSJ-P29 Encourage the maintenance and continued use of public facilities as necessary to ensure they remain assets to the neighborhood and preserve their historic value.

WSJ-P30 Encourage the retention and re-use of public facilities within the Junction neighborhood that would serve long-term goals and needs of the community.
